

ZeeU Web Approval

RETRIEVE CONSENT OR APPROVAL DONE EASY

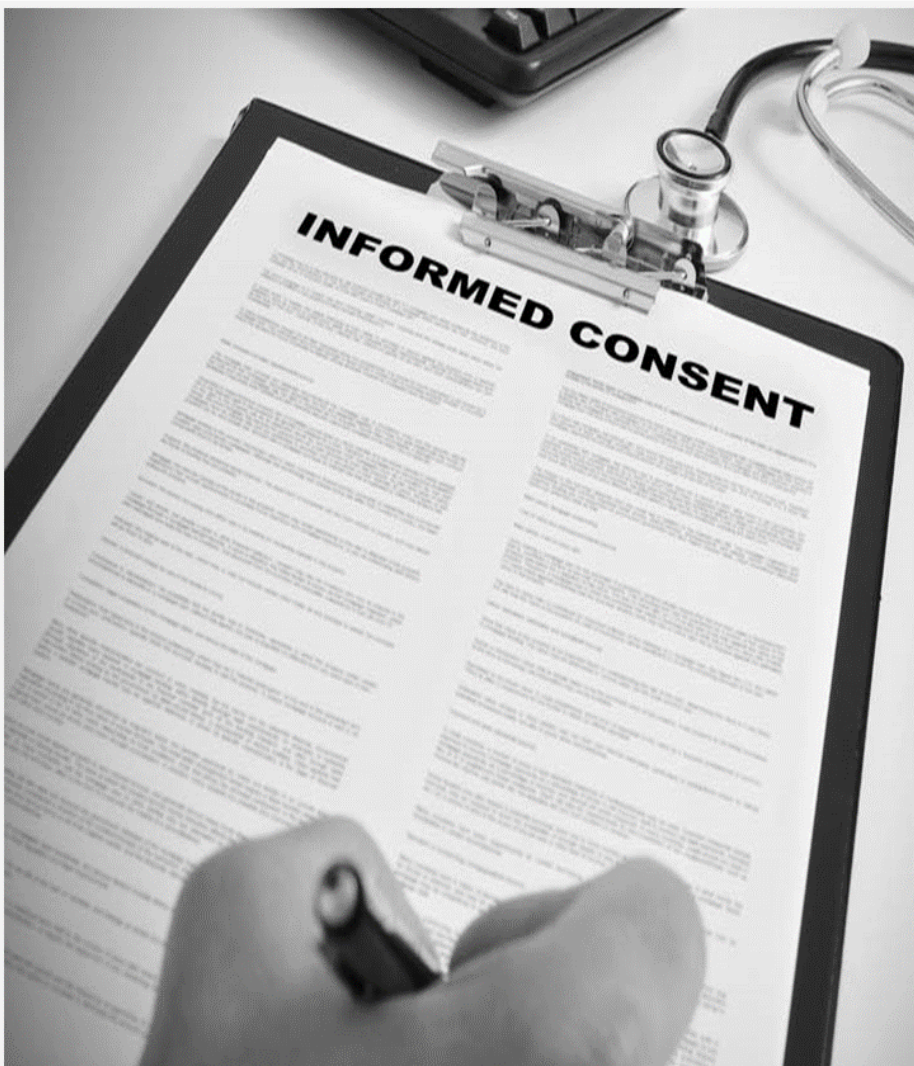

Do you have a need to easily interact with customers and contacts to obtain approval or consent?

Zeeu has developed a solution that generates a website for approval, which is then linked to Jeeves ERP.

Do you need to collect GDPR consent from new contacts?

ZeeU Web Approval sends an email with information and link to a web form. The user chooses to approve or give his consent. The new GDPR fields in the Jeeves programs contacts are automatically updated,

With ZeeU Web Approval you have an easy way to collect consents or approval just with press of a button.
